In re: Application for certificate to provide  
wastewater service in Charlotte County, by  
Environmental Utilities, LLC.

DOCKET NO. 20200226-SU  
ORDER NO. PSC-2021-0087-CFO-SU  
ISSUED: February 19, 2021

ORDER GRANTING ENVIRONMENTAL UTILITIES, LLC'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION  
(Document No. 11235-2020)

On October 14, 2020, pursuant to Section 367.156, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Environmental Utilities, LLC (EU) filed a Request for Confidential Classification (Request) of certain financial information provided in its Application filed on October 13, 2020 (Document No. 11235-2020).

Request for Confidential Classification

EU contends that portions of the information contained in its Application constitute proprietary confidential business information entitled to protection under Section 367.156, F.S., and Rule 25-22.006, F.A.C. EU asserts that this information is intended to be and is treated by EU as private and has not been publicly disclosed.

The information contained in EU's Application, for which confidentiality is requested, consists of personal financial and other information such as personal residence, personal vehicles owned, personal property owned, personal investment, personal indebtedness, etc. EU argues that such information is entitled to confidential classification pursuant to Section 367.156(3)(e), F.S.

Ruling

Section 367.156(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 367.156(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 367.156(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 367.156(3), F.S., for classification as proprietary confidential business information. The

personal financial and other information constitutes “information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.” Thus, the information identified in Document No. 11235-2020 shall be granted confidential classification under Section 367.156(4), F.S.

Pursuant to Section 367.156(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless EU, or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Julie I. Brown, as Prehearing Officer, that Environmental Utilities, LLC’s Request for Confidential Classification of Document No. 11235-2020 is granted, as set forth herein. It is further

ORDERED that the information in Document No. 11235-2020, for which confidential classification has been granted, shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Julie I. Brown, as Prehearing Officer, this 19th day of February, 2021.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility.
